Serving Christ in Honduras

Reed and Kim Skinner are missionaries sharing the love of Jesus Christ and salvation through Him to the people of Honduras, one of the poorest countries in the Western Hemisphere. A country of 7.3 million people, there are still many who live without knowledge of Jesus due to their extremely remote and difficult-to-reach locations. Still there are others who have heard the name of Jesus, but are in desperate need of discipleship and support. Working primarily with two indigenous groups, the Skinners are carrying the gospel to these remote locations, along the way providing much-needed physical help - be it food, clothes, medical, or whatever is needed - even as Jesus asked us to do. Cassidy, Hannah and Corban, Reed and Kim's three children, are also integral parts of the ministry, demonstrating the love and forgiveness of Christ through their example and witness, including providing help to "the least of these" in their immediate area. Please pray for us in our work for the Lord and Savior, and if you feel lead to support us financially, our corporation is a 501©3 tax-exempt organization.

Prayer requests:

- That the Lord will see His desires fulfilled in the ministry of For His Kingdom to the Miskito tribe of Las Marias and surrounding jungle and to the Tolupan tribes of la Montana de la Flor.
- The Lord will continue to speak and direct us as we continue to seek and do His will.
- We would be anointed by the Holy Spirit to speak and lead the people of Honduras into strong, personal relationships with the Jesus Christ.
- That the Lord will see His desires fulfilled in the ministry of For His Kingdom through all those involved through prayer, logistical and financial support.
- The Skinner family – for God's provision: That the Lord would provide all that is needed to continue to fulfill His vision for this ministry.
- The Skinner family – for God's divine protection: Living in a country that is exceptionally dangerous, God's safety and protection for each one of us and for the times that Reed is traveling deep into the jungle, safety and protection for both the family at home and Reed.
- Skinner children – for them to grow in the knowledge of the Lord as they grow up in a "foreign land".
